This is a relatively new clan, I was contacted on one of my many game servers by the owner of this clan, he wanted to use my servers for his clan, so I let him use a few of them, so this right here is just advertisement for the clan, right now (March, 06, 2007) there are only 4 members me and 3 other people so I am hoping with a little advertisement more people will join this clan.

The clans name is the Generals clan

The site is

Well, since I'm interested in joining a Clan, size doesn't matter..

Does the Clan has a server game on WOL?... If not, then I'll need help with joining a game with them...
