lol

MrWiggles

i need a set of tank skins that are based around hello kitty. if i do not get them i will be very angry and possibly shoot up a community college or something.

that sounds like a good idea but why dont you just make your own or go kill a community college

/me laughs with TD

This should be entertaining to say the least.

Wow, thats something...

On a more serious note, you should give it the green camouflage but instead make it shades of red and white.
