apparently some hardkill guy is banning me from RG network for cheating cause he said he has some video or something... It would be nice if someone (Crimson) who has some idea of what they are doing to step in here and overrule this. Thanks

Name I was on BeSTSNiPR

Heh I was going to ban him from RG for a week for impersonating admins, but it appears that he doesn't even use renguard himself. Can you tell me the exact name he was using?

Heh, it seems he likes to take three month breaks between each new attempt or something (#2 and #3 from December). Also, he apparently had tried to discredit me on another forum by editing his chat logs, but I found it by Googling it a couple weeks before his name came up again on this forum. Funny.

Wow.
