Shouldn't troopr02 get a warning for flaming and using bad language against a fellow forum member? I don't like this guyz... Please do something against his brutality

For now just put him on your ignore list. I'm sure he'll get suspended or banned eventually if he keeps up his attitude.

STFU, shouldn't you be banned for cheating? Yes, thats why your banned from various servers, im thinking a renguard (which you prob dont use anyway) or even a xwis ban would be better. Untill, please quit rene and these forums, fuckingcheatingpieceofshit kthnx

P.S: we don't need another clan that supports cheaters, we already have enough of those (BBF, BHE, R\*R, HR to name a few..)

ROFL, wow great to see what really comes out, another shithole of a "clan" has been added to the "we support cheaters list", GJ Goku/EKT, (not they have any real members anyway)
