Well, after a few days of consideration we decided to leave CnC-Source for a better home. We're now situated at www.apathbeyond.com

New forums have been already setup and are waiting for your posts.

I'm not a moderator, but I think this should be in the mod section.

Anyways I completely support AR and wish it the best of luck at its new home.

It isn't directly about the mod itself or modding the game, simply just that they moved their site, so is probably best suited here in the General Discussions.

Daves right, it's a public announcement so general discussions are best.

Oh, ok. You could look at it like that. I thought everything mod-related goes in the mod forums.

But you're probably right.
