Hello everybody

can everyone that uses a skin on this forum please post where you got them from

except from these sites

www.planetcnc.com

commandandconquer.filefront.com

www.renegadezone.com

www.cnc-source.com

www.jellyserver.com

www.ren-archive.com

www.renwarz.com

www.game-maps.net

www.cnchq.de

www.stalker-contact.de

thank you

Thats the thing about sites like that, people make them the way they want, ur better off making ur own cause its hard to find some that fit ur style.

well...

someone give me a link to a skinning tutorial

and not the type that tells you how to change the colour of something

one that tells me how to add camo, change stuff on the unit etc
