Had a fun msn conversation today with their leader (PoDoWnZ) including me, and farnagain (shown as RR5nipa) Starts out about XuChU -XNC- then leads to PoD.. then after all the msn talking, he gets on the tsugaming ts and YELLS and me and farn, not just raised his voice, he was fucking yelling through his mic lmfao

The super bodies thing at the end, PoD supposedly had no idea what super bodies was.. sound familiar?

so GG -XNC-, your leader hacks, your "best" "sniper" hacks, eskamo used FR, probably more at this rate.. lmfao -XNC-

I knew it already but besides the point. And when you said "sounds finiliar" where you refering to the time YOU got caught using big bodies or...? Im sure it was easy to tell tho, you could see all the signs that it looked like when you were using big bodies

Exactly... while i was talking to PoDoWnZ he said they were 2 and 30, but 32 cws by a crappy clan in a month... wow o.o.. so he says they suck to much to be cheating, which doesnt really say much.

XNC are a complete bunch of cheating retards, pretty lol that they have a win ratio of 2-22 but apparently can headshot better than anyone else in the entire game
