Hercules was recently awarded the honorable distinction of Worlds Biggest Dog by Guinness World Records. Hercules is an EnglishMastiff and has a 38 inch neck and weighs 282 pounds.

With "paws the size of softballs" (reports the Boston Herald), the three-year-old monster is far larger and heavier than his breed's standard 200lb. limit. Hercules owner Mr. Flynn says that Hercules weight is natural and not induced by a bizarre diet: "I fed him normal food and he just grew".

.. and grew... and grew... and grew.
