Im making a site dedicated to the WS community modders and mappers, based on creating instead of just a archive site like most sites are. It will be very active once it gets going, lending webspace to all those who need to have files hosted, and eventually a image uploader.  
<http://dgnforums.cncgames.com/showthread.php?s=&postid=112341#post112341>If you want in on anything just post it here.
