This is a legitimate concern for the Renegade community, its sites, and any clans/sub-communities in it.

TehPwnerer (also known as "Matix" on these forums), who has a long history of cheating, copying people's ideas, copying terms of service verbatim, and cloning forum layouts and verbage.....is at it again.

As many of you know, I have a very strong distaste for this kid (yes, he's a child ... approximately 15yrs in age). He spends all of his time copying other people's hard and unique work, then stamping his name all over it. Since no one has really done anything about it, the problem persists. This needs to stop.

Here are some screenshots (all of which were taken TODAY):

<http://www.tsugaming.com/files/fl00d3d/matix1.png>
<http://www.tsugaming.com/files/fl00d3d/flood1.png>
<http://www.tsugaming.com/files/fl00d3d/flood2.png>
<http://www.tsugaming.com/files/fl00d3d/matix2.png>
<http://www.tsugaming.com/files/fl00d3d/flood3.png>

Matix, who runs "RenCorner" and "NeronHost" tries to act like he has some legitimacy by offering the products and services of other people with his name all over it. He cannot pull an ounce of creative property out of his own loser mind.

IF YOU ARE A SERVER OWNER OR COMMUNITY SITE OWNER:

Please do NOT link your irc's with him
Please do NOT partner or affiliate with him in any way
Please do NOT allow him to be a member of your site (ban if possible)

IF YOU ARE JUST A GAMER:

Please do NOT play on his servers
Please do NOT allow your clan to participate in his community

This child is trouble. He is a convicted cheater of the past (admitted to cheating on his own RenCorner server), convicted thief (admitted to and caught stealing intellectual property), and downright unethical lying and deceitful bastard of a person.

MESSAGE TO MATIX

If you don't agree with any of this, please feel free to defend yourself. As many people in the Renegade community know -- I have a devotion to ethical gaming and the fair treatment of gamers. I'm trusted and respected and they have no reason not to believe anything I just said about you. You, however, are a wannabe ---- so until you go legit, I will continue to tear you into

pieces. STAY THE FUCK AWAY FROM ME AND WATCH YOUR BACK!

Fl00ded, If you keep this up you're going to have a stroke.

Just leave him be, I'm sure maturity will kick in some time soon..

..Hopefully.

I tried that for a bit. I even said I wasn't going to post on these forums anymore since I'm not much of a ren guy outside of the demands of my business/community.

But I had to break that promise cuz this little retard keeps getting more and more annoying. He just doesn't get it. One day (soon) he or his father are going to get their ass sued so hard and he'll be crying for years ... hopefully from a jail cell with bubba.

It'd be more like suing over intellectual property -- and at the expense of a lawyer. I'd rather just call his dad and get his ass beat. That sounds more suing.

All I really use it for lately is a TS for WoW... I will just find another TS. Always got my clan. Anyways, matix you blew it man. That is retarded how you copy other people. If you want ideas you should think of them yourself. OR you could ASK your community members. What is this world coming to?

Oh well might as well move on. just sad how he copies others....Im sorry I ever supported him.oih

Ironically, that's pretty much how it went. He had copied Terms of Service from Reyox Communications, LLC (I'm friends with the CEO and he let me use his ToS by direct permission) and they threatened to call his father -- so he removed the content.

Anyway, I had a reasonable chat with him yesterday and he apologized (again) so we'll see where this goes. I try not to hold grudges against anyone - so as long as he keeps his nose clean and stops copying my content I'll try to control my temper towards him.

It's all there...

It's in MSN raw format though, so it may be hard to tell who is saying what.

The format is:

DATE / TIME / FROM / TO / MESSAGE

So, fl00d3d seargentsarg@hotmail.com would mean I was saying that line to "seargentsarg@hotmail.com" (Matix)
