Perfect?. Look at the videos. Look at the way they move. Is that cool or is that perfect?.

You do not need a full stop after a question mark, exclamation mark, colons and semi-colons and commas.

Just a friendly tip.

To the American audiences in our great community: a "full stop" means "period" like in after a sentence. lol!

Regarding the video: Ninjas and anything related to melee combat turns me off. Coward I am. I do understand they have that spinning thing.

What did you think of the website? Did you see the other videos?

YA, I liked the website...I also watched the videos. It's cool for these Ninjas to have that kind of quick reflexes. The first video is pretty cool.

I thought the Ninja suit looks pretty cool too.

I thought that site was kinda dumb, but that might be because I've actually gone through years of martial arts training and because I recognize most of that site is bs lol.
Is it just for fun or what?

I guess it's just for fun. I wonder how a Ninja would stack up against a SEAL with night vision. lol!

I don't think that Ninjas use guns. Lets say weapons, I think that the Ninja has more weapons in his arsenal than a Regular U.S. Navy Seal.

How about the Petition. Do you think that it is all a lie?
