Now that i got the new version of rg (1.0322) i cant get CP2 directly.. When i start rg, the auto core updates doesnt appear.. and i have the "disable core updates" checkbox unchecked.. Ingame i must wait till the loadscreen to start the game finish it's loading.. I want CP2 in the 1.0322 so i can have a quick start.. how can i solve this? any help will be useful..
