XWIS are the online servers which took over from WOL when EA dropped the old WOL servers. They have a contract with EA to provide the bare basics of WOL functionality..

NO...I don't think so. I played today morning and it was all fine. If otherwise, I would have to eat my own head.

Oh yes! Definitely, I will put it up on YouTube. I have been trying to find some videos like that but no luck. So if I do it, I won't forget to tape it.
