Object->Simple->Simple_DSAPO->SydneyWall

Somewhere in there..

What do these "big crates" that you're asking about look like? The big crates like in SSAOW or those big storage crates?

Ya, in your Object folder you'd go to Simple and then there will be a thing called Large_Blocker, you'd click it and click Make (don't open folder because you'll only find med and small blockers inside, lol).

Large blocker is the container if im not mistaken,
"vehicle_blocker" is the metal crate.
