That error message should include:

"please upload this dump, silly"

---

Quote: This always happens when i host a game or a map loads but it doesnt always do it.

look at this w00t, a pointless quote.

damn, this does indeed feel satisfying...

Also, i feel dirty now.

In other words: Damn Scrin, please, for once, stop quoting everything you get your eyes on.  
Thank you.

I could help you if you send me the given crash dump file to yrr<at>icefinch.net.  
Please compress the file before you send it.
