LoC, (LEGION OF CHAOS) Clan is Recruiting:

We are not a VERY popular Clan as we are just about starting.
We have a limited amount of member's.
But we would like to grow, If You are Interested on joining,
Please Visit: <http://theloc.21.forum.com>
Our Application is There but before you go.
You Must be an experienced player at Command And Conquer Renegade,
If Your a Beginner than under some circumstances we might train you as we have done to two recruits you have now been kicked for inactivity. Either me myself or A fellow Admin or Moderator will test you, We are a Fun clan but serious when needed. Thank you

Cya In Game!

Well, About 2 Months Or So but we havnt really got the chance to grow as We've had server problems with Night Reg and That we do have TS but we will only give it out in our forums if you can be trusted by the clan. as there are now Numerous TS hackers around as Kobra has Suffered from this hacker
Fuse- Now known as Tucker
