give me a list of what you want and i'll look through my archives and see if i have it.I have a pretty large collection of planes,jets,and helicopters.....most of them need work or texturing but i have some that are ready to go.....I have an excelent hind chopper that is high detail and poly but it needs texturing.What format would you prefer them in?e-mail me with some ideas of what you want.Eric.

I just need any ones that have a low poly or can be altered for low poly, cause it is just a prop.basically just give me what you got. In gmax form.
