STATE POLICE WARNING ON MYSPACE PLEASE READ

Please read this.....I hope that all of my Friends Post this and help keep our myspace friends safe.

State police warning for online: Please read this "very carefully"..then send it out to all the people online that you know. Something like this is nothing to be taken casually; this is something you DO want to pay attention to.

If a person with the screen-name of imahustlababay or <http://www.myspace.com/ineedatipdrill> contacts you, do not reply. DO NOT talk to this person; do not answer any of his/her instant messages or e-mail. Whoever this person may be, he/she is a suspect for murder in the death of 56 women (so far) contacted through the Internet. Please send this to all the women on your buddy list and ask them to pass this on, as well.

This screen-name was seen on Yahoo, AOL, AIM, and Excite so far. This is not a joke! Please send this to men too...just in case! Send to everyone you know!

Ladies, this is serious.

Gentlemen, PLEASE let your Lady Friends know....

This can also be found at www.NBC.com

or

<http://www.msnbc.msn.com/id/11162052/>

IF WE CAN PASS ON JOKES, SURELY WE CAN PASS ON A WARNING THAT MAY SAVE A LIFE

Please repost!!!!!!

<http://www.snopes.com/horrors/madmen/slavemaster.asp>

Now wouldn't it have been easier to search google than just taking things you see on the internet as truth?

It still amazes me that people send all this spam around, about the worst virus ever! or a man eating spider or bill gates giving away millions to people who forward emails.

IF YOU AREN'T SURE JUST USE A FUCKING SEARCH ENGINE BEFORE PERPETUATING THE SPAM.

Thank you, rant over.
