N.W.A made a rap called "Fuck tha Police"

They re-wrote the lyrics to concern certain words out what a young child shouldn't hear.

How long have you been stalking my internet name?

Plus, I was describing on how to detect a cheat. Maybe you should mind your own business for once? I have enough stalkers as it is.

Edit: Why were you searching yourself?

I wonder if all the people who despise trooprm02 arrogant ways start reporting his abusive messages to moderators, trooprm02 could probably be banned from RenForums.

Crimsons logic: Lets ban people for bad mouthing renguard, but its ok for forum idiots like troop to

say what he wants. But as long as he likes Renguard, he can say what he wants

you know the irony? 2 FUCKING CHEATERS are asking for someone to be banned after they talked shit to that person THEN got caught cheating because they knew if they kept talking, they would have to play or cheat, so both choose cheat, and THEY want to ban people from these forums? ROFL, g_G

Attention Whore.

There is no definate proof that we cheat. We do not cheat. You only called me a cheater because of my mistake in a message in a different forum.

I'm not a cheater, but I'd much rather be a cheater than a arrogant fag like you.
