You will have to check always allow grant power up for starters, then turn it into a spawner.

Never seems to work for me, And yes, I use 2.9.2 and higher scripts.

Try starting over, but don't use temps.

Ur doing it all wrong!

Just do this:

Open the backpack preset. Then go into preset and set it to: AlwaysAllowGrant.

Then go into the scripts tab and add the script: KAK_Give_Powerup_On_Pickup. Add the weapon preset you like and for more weapons just add the script multiple times. Then click 'OK' and add it to the weapon crate (CnC_Crate_Weapon). Save mod or map and try it.

Make sure AlwaysAllowGrant is checked. Else just add another weapon to the GiveWeaponOnPickup.
