ROFL, how come to you didn't respond to the fact you were caught using an aimbot and IRC during a clanwar? Exactly bitch. Since you refused to answer that, you've proven me right, but why would you anyway, theres no way to lie yourself out of your hole like oyur barely did before, when I was fucking right about you cheating the whole time

p.s, since I understand your cant read very well, and its obviously your written skills are less than that of a 5 year old autistic kid, heres the thing:

<http://www.renegadeforums.com/index.php?t=msg&th=23835&start=25&rid=19993>

^look at all the logs+IP's

First cheat accusation for 1 of my clan members, I give out all IP's, all logs, and talk to him 1 on 1. As like I have said, it wasne't even him, believe it or not, I dont give a fuck, the mismatched IP's speak for themselves. So basically your attempt to get back at me (lol?) has once again backfired dipshit.

Um, what server/when did you see this?
