Whenever I try to install Renegade or even play it everything runs very smoothly except for one important detail...no text -.-

Here is an example:

<http://img487.imageshack.us/img487/8697/renegade1cr0.jpg>

This is the main menu (can't click on anything):

<http://img80.imageshack.us/img80/7033/renegade2ap5.jpg>

Anyone know any fixes to this?

Nevermind I fixed it by restarting my computer.
