Hey all, I would like to inform you about a new renegade community. Primary purpose is to supply a nice environment for all players.

Also, if you have a clan that needs a home, urPwnd gaming will sponsor you. Server, team speak, IRC.

Sign up for the drawing because we will only sponsor 1 clan.

Also, we are expanding our content to include free music, videos and much more streaming content. Perhaps prize drawings for winning clan matches and donators.

Thank you for your time.

Yay more servers, exactly what the doctor ordered
Yay another site that requires you to make an account for about everything on it.

I'm sorry, it's just that you are a bit late with this stuff :/

Oh ofcourse... You expect everyone to be a hypocrite ass, and praise you straight to heaven?

The negative feedback could be a little mure subtle, but in the end they hold at least some truth...

Welcome to reality.

We must not let this rebel initiative succeed.
