Hey

I play for the ladder, on servers like jelly and n00bstories, but i found out that in the past week everytime i get 500+ ladder , it wont be recorded on renladder.blackhand-studios.net so i can't really score much ladderpoints.

anyone here on this forum can help me ? or tell me whats wrong?  
And don't say you don't understand what i am saying because then you are the wrong guy for my questions

cya, ty

I think there's a delay; try waiting for a while.

If that doesn't work, that's probably due to the ladder system being reworked based on a particular groups' ideas on skill.
