<http://img222.imageshack.us/img222/210/wtfob6.png>

How do I fix it?

thanks in advance

Updated to the latest Renegade version?

If so, remove the following files if they exist:

data/armor.ini, data/cameras.ini, data/objects.ddb

I notice at the top the login name is not shown, this is probably because you used an account that

---

you dont own, or entered the wrong password.

---
