I read it as "Renegade Forever" rather than "Pitts Forever". Sadly Pitts would probably still be running if not for immature internet e-terrorists. Yeah I know that they tried to restart it and failed but by then the momentum was already lost.

Most of that stuff was bought via eBay!
Sadly, non of the merchandise can be bought from any shops in my area.

If it was before January, it would have been GDI. After, Nod

On the subject of outbidding on eBay, I outbid MightyBOB last november for that Red Alert 2 hat/cap. Thus the picture of me sticking ones up
