You can reset them, but you cannot set new passwords yourself.

http://strike-team.net/nuke/html/index.php?name=FAQ&id_cat=6

You need a password for gamespy? I've always just been able to connect right in.

Using The All Seeing Eye though, not the GameSpy client.

Using The All Seeing Eye though, not the GameSpy client.

Well you don't need a password for the GameSpy client itself. But you need a password for your account so noone can steal it.
