Renegade

Message of the Day

Welcome to XCC Online!

555 players (WC: 1, RG: 439) are online

For answers to all your questions about XWIS and Strike Team, visit
http://renegadewiki.com/ and click on "XWIS Transition FAQ".

Please note that many servers will require or recommend the use of RenGuard
anti-cheat. You can get it at http://renguard.com/.

No, just take the objects.ddb file altogether. Don't put it back in, that just gives troop what he wants.

If it is a cheat he/she will get caught anyways it might just be the radio mod which isn't really a cheat at all(in my eyes at least).
