He doesn't mean on RenegadeForums.
People that know who he's talking about will understand, those who don't wouldn't get it anyways.

I don't really think of it as a good or bad thing. Some people are getting banned for excessive nonsensical flaming of the admins.. But thats about it.

I must admit it's quite funny watching mikey accusing someone else of "losing it". He lost one clanwar two months ago and he's still furious.

By the way, mikey:

Spony wrote:Go three days without flaming me out of anger, when I haven't said anything to provoke you whatsoever.

Now there's a challenge. In fact, I pose it to everybody.

If you can, if you can prove you're all calm instead of ripping your hair out in renerage (as clearly is the case), I'll unban some people. How about that?

Sound fair?

Calm down, Jimbo...

I said I'd unban people if they could go three days without freaking out and desperately trying to flame me. You lasted about 5 hours.

Just calm down...

You know, when I had to institute multiple bans in order to try and slow down an explosive situation, I was accused of having a nervous breakdown...

I don't know WTF is going on over there though, so I'm not taking sides. I don't know why it had to be brought over here anyway.

Funniest part about that was it was Spooky who you had to ban. I guess he's in your position now.

If I'm not mistaken, the last time Crimson went on a banning spree it was because of something Spoony said/did...

Yeah, it was related to Spooky... it was almost a year ago, though, and we're well past it. I also only banned a couple of people, too... and for a short time.
