Be forewarned, this video is not suitable for a workplace environment for language reasons.

I'm not sure you can call him a man:

I am disturbed by thus much more <http://www.youtube.com/watch?v=g2gID5bpXAU>

If you want a place with no biased information you can always trust Encyclopedia Dramatica.

He's an annoyingly flamboyant gay man with this moronic opinion about how the world works. I've tried watching some of his videos, and they're pretty painful to watch, especially when he speaks for women because he's a feminine gay.
