SVD 1 SVD 2 SVD 3 Which one is better?My Friend suggested and recolored the 2nd one.(Doitle)its a little rough but I did just learn how to skin so I think its pretty good.comments are being accepted white parts=Untextured. [ February 18, 2003, 14:38: Message edited by: Nodbugger ]

The rifle itself looks good, but you need to work on the skin still.

Nice model. I like the second skin better, but the scope and trigger look too white.

I'm pretty sure that's a photo skin. It would look better if you actually made the skin from scratch...
