I hope he never becomes president...LOL...LMFAO

<http://www.cnn.com/video/#/video/politics/2007/09/21/sot.nra.giuliani.call.cnn>

That was just fucked up...I dunno if it was a set up. But set up or not, that really screwed up his credibility. If it was a joke then it was a really bad joke.

It isn't all that professional, but these days, image, and personality are huge factors in politics. Just ask John Kerry.

It does lighten up what would have been a likely boring speech.

Personally, it's better than Hilary Clinton taking on a 'southern drawl' .

It's a tactic used by politicians to make them seem more family oriented. It was staged.

I'm sure it was staged. Guiliani is fighting an image problem because he's been divorced, so making his wife a priority over a speech is a great way to positively help that impression.

Ahhh...I understand now. The thing is, this was the first time I saw this tactic being used by a politician...and that's why I seems to have overreacted.

Yeah, I read now that Guiliani seems to be the candidate with the most desirable personality.

I don't know where the Y and K came from and I don't want to know where the other letters went.

Despite all the serious fags here...

That joke is being over used. I saw it before in these forums.
