Seriously, HORQWER, Changing your IP address isn't anything special at all. And judging by the way you are typing, you are probably about 10 years old, and you think your the shit. Also, to HORQUEER, you've yet to show us proof of us all being homosexuals.

Oh, no proof? Because you don't have any, right? Yeah, think before saying something incredibly stupid.

Well, I guess it's kinda hard to if you lack a brain.

You know, if I were admin, and if I could, I'd have it so every time HORQUEER, troop, and alot of other idiots post, it'd instead link them to goatse, tubgirl, and other such sites, instead of banning them.

Maybe I'd go that extra mile and have it cover the WHOLE screen and would be impossible to close out unless you shut your computer off.

Man, that'd be awesome.

Put it this way.

You only live once. There is a dead squirrel in the street. Right next to it, there is a broken stick.

What do you do?

Because he wouldn't go away, probably. Infact, that is something that was said about Aircraftkiller back in the day...

No. It is "once a cheater, forever recognized as a cheater"

Just cause someone cheats once doesn't mean they will again. Although it doesn't mean they won't.

Oh, no proof? Because you don't have any, right? Yeah, think before saying something incredibly stupid.

Well, I guess it's kinda hard to if you lack a brain.

You know, if I were admin, and if I could, I'd have it so every time HORQUEER, troop, and alot of other idiots post, it'd instead link them to goatse, tubgirl, and other such sites, instead of banning them.

Maybe I'd go that extra mile and have it cover the WHOLE screen and would be impossible to close out unless you shut your computer off.

Man, that'd be awesome.

It's whorequeer. I made it up, therfor since you misused it, I get to sue you.

I'M GAY!!!???

my life is over because some idiot cockfag russian that is giving russians like me a bad name thinks I'm gay. oh noes.

to all...

I talked to ferkhat on the last night and he was very sad about everyone not forgiving him...(u could hear it in his voice, i know him very well)

he said he wants a fresh start with everyone, he will not spam anymore... ( how honest he was i could not tell, i know he is like a bomb waiting to go off.)... i know mero hates him but please forgive him...

i am not really defending him but rather trying to make peace...

i mean come on he is 12 and the whole ren universe hates him WTF?

how would you like to be in his position?

i would hate it..

feeling like everyone was ganging up on you...

he can explode sometimes but i have seen everyone do the same..

in fact that is the way we are... all of us

no one is perfect...

i can explode too

me being his friend has had an impact on his life...

example: about a month ago we had a video call on msn and he was to shy to use the mic..

yesterday he got over that...

all i request is no more hurt feelings

i hope this will impact some..

i also hope he will get unbanned from ren servers...

if he has offended you in anyway after this post is because he has not yet heard that i am trying to make peace

thanks

Apparently, he doesn't want to straighten up. He's still being an asshole on the RP2 forums and server. Seriously, don't speak for kids that control themselves. You just end up looking like a gullible asshole.

Wait, so you're excusing his actions because you have yet to post in his defense on those forums?

I'm sorry, but your saying he wants to change doesn't constitute him changing. If he told you he wants to change, then with or without your "defense", he should be working to change.

I swear, kids are so out there these days. Your philosophies seem to be pulled straight out of your asses. As if you plucked it out of the toilet after a shit.

he has not been on any forums for days so i can see no reson why u can insult him for being mad on rp2..

btw the reson he is pissed about rp2 ( good excuse) is missilexx hacked his account and emptied his bank (\$50000) and messed up other things worth \$100000 rp2 money so wouldn't u be a little pissed?

basically what i am saying is he has not posted to my knowledge on rp2 but if he has he has a good excuse, i checked the forums and no recent posts by him after he went to bed....

Are you fucking blind? Check the "re apply" thread for the EKT server. He started a flame fest last night. That was well AFTER you posted this here stating that he wanted to start over.

I don't give a fuck if he was pissed at missle or not. That's no reason to get pissy at the server moderation team. His actions are quite asinine, and he obviously is making you look bad.

No point arguing with a 12 year old. They tend to humiliate themselves anyway.
