This is as spammy as Frish's irc love bot or dictionary, they both connet to a website that gives you some weird definition of a word or gives you the chance of love between a certain two people.

like !define roffles

Definition #1: What 1337 hax0rs Ea7 for breakfast!1!

Um... the 'ingame name' in the left margin says it's you...

So your brother uses your name as well?
