If theres one team I hate, its the patriots.
They are a bunch of cocky faggots, I hope tom brady gets his neck snapped, I hope their whoel team while on the train, falls off the side of colorado's mountain, while on their way to mile high stadium.

I dont like the colts either though.

So, I have to say-
Go Panthers

Wow, I actually 100% agree with you, for once.

Tom Brady (Michigan alumni \o/) proved why he's the best quarterback when the game depends on it. Also, it shows why the Patriots might just go 16-0 this year if they keep it up. They're already over halfway there. Though, I have a feeling they'll meet back up for the AFC Championship, and the Colts will have (an unfortunate) revenge on the Pats.

Don't put on your Lions Blinders yet, we still have to win about 3 more, and we're behind Green Bay

No longer true, sir! Though, even when I WAS a geek, I still liked football. I guess I was just that much better than most geeks.
