I laughed so hard when I watched this, especially the bit at the end with the Im in your discovery channel busting your myths.

Enjoy.

The lollicat stuff was funny... but now it's WAY over-used.

People seriously need to come up with some new jokes.

Fine i'll rephrase it, don't have anything useful to contribute to the thread? No? Then dont post. I can't see how posting *yawn* helps the thread in anyway.

Flaming someone for something you don't like isn't contributing.

"

"Don't like it, don't post." didn't contribute anything.

I gave my opinion summed up in one word, you were expecting opinions right? I gave mine, you didn't state anywhere that they all had to be good opinions.
