to all...

I talked to ferkhat on the last night and he was very sad about everyone not forgiving him...(u could hear it in his voice, i know him very well)

he said he wants a fresh start with everyone, he will not spam anymore... (how honest he was i could not tell, i know he is like a bomb waiting to go off.)... i know mero hates him but please forgive him...

i am not really defending him but rather trying to make peace...

i mean come on he is 12 and the whole ren universe hates him WTF?

how would you like to be in his position?

i would hate it..

feeling like everyone was ganging up on you...

he can explode sometimes but i have seen everyone do the same..

in fact that is the way we are... all of us

no one is perfect...

i can explode too

me being his friend has had an impact on his life...

example: about a month ago we had a video call on msn and he was to shy to use the mic., yesterday he got over that...

all i request is no more hurt feelings

i hope this will impact some..

i also hope he will get unbanned from ren servers...

if he has offended you in anyway after this post is because he has not yet heard that i am trying to make peace

thanks

please don't post offending content in here...

When I was 12 I knew how to behave around other people, and could see t'net was no different. Still, I will give him a second chance.

Instead of bumping 3 topics with the same messages, you should have just stuck with this one topic.

Anyway, this is getting out of hand. No one hates him (except Sadukar) and what the hell, this HORQUER crap is detracting everyone from the essence of Renegade.

This silly stupid bickering should STOP.

He spammed, he got banned, he got unbanned and came back, somehow he got into this silly stupid argument with Sadukar (who nit-picks a lot), and here we go again back to the whole gay f**king HORQUER wars.

There are so many other things than Ferkhat and once again, no one hates him but most importantly, no one gives a shit.

I can't believe I actually wrote all this. The most POINTLESS thing I ever said here. What a waste of time. Let me go wash me eyes!

EDIT: DAMN, I spelled believe wrong.

I have no reason to "forgive" him, as he hasn't done me any wrong besides hurt my head when I tried to understand what the fuck he's trying to say.

He's an idiot, and I'll continue to see him as such. He'll also remain on my ignore list.

Yes, there really was no point to posting this, but Post Count +1.

we were all 12 once and my mom told me 12 year olds do stupid stuff... so so forgive and forget
and plz don't call him an idiot
he comes from a different country where they process information different no reson to make fun
of him for that...
and sorry about digging this back up

Last time I looked at the Renegade disk, it said it was rated T for Teen. If you're in grade 6, that means you're only 10 right now, and you'll be turning 11 next year (if I'm not mistaken). You shouldn't even be playing Renegade.

Nor should you be on the internet for that matter, with all the mature content it has to offer. Have you even hit puberty?

Not as stupid as him, in fact, it's pretty rare when a 12 year old is as unmature.

Perhaps they should consider renaming to Black Spam Studios, and having HORQWER as a mascot?

He's an idiot, and I'll continue to see him as such. He'll also remain on my ignore list.

Yes, there really was no point to posting this, but Post Count +1.

Come on guys, give him a break he is only 12.

Yes some people know how to act, but just because you knew how to act when you were 12 doesn't mean everybody else knows how to act. Yes he is being something that I would call INMMATURE, but still how do you not know that he tries his best.

Actually in my opinion I don't think a 12 year old should be on the internet, much less even playing renegade.

Then get him off the internet, we will be happy then.

Agreed. I was only 15-16 when I started joining communities.

HORQWER, take a break from here and stop pissing people off for a while. Your presence is evidently not wanted here currently.
