4 things:

- 1) Big whoop, everybody loses it in high school. I think it would be hard NOT to loose it in high school. Those girls are horn-ay.
- 2) You were just looking for porn and had no knowledge of porn stars. That means you cant get any and you are just now discovering yourself. The fact that you were asking everyone else about their penis size shows that you just hit puberty.
- 3) No one cares.

4) Asian girls don't touch people that cant spell Asian.

Spam = locked.

Also, high school girls aren't horny. They want attention and the only way to get it is to be a slut.
