must so many people make posts that are no good?

EDIT: All these useless topics do is push away the more interesting ones like for example, mine maybe? > <http://www.renegadeforums.com/index.php?t=msg&th=27090&start=0&rid=2> 1525

Because nobody cares what your computer desk looks like.

The Corndog Man wrote on Sun, 23 December 2007 00:53Spectral analysis of this thread is complete. Results are as follows:

The proper graph for that would not be a line graph, but a bar or pie graph. So you fail.
