I'm Mr-x to on XWIS but like a 2/3 year ago i couldn't login anymore...

So I started using ASE (The-All-Seeing-Eye) But i couldn't join every server anymore because it had a direct start and i still can't normal login on XWIS so can anybud help me to get my nick back?

No that's not working, (on Mr-x) I can't even get a empty server list when i'm typing a wrong pass... and no it's not full. i just can't get in...

Its says Unable to connect to WestWood Online/server
Like the name is banned???

(on my other account) xwis says nick not found on this serial???

So any suggestions?

You cannot use a "-" in xwis names.
