YAY
im affiliated with cncden the biggest cnc community,

thank you to all people who supported tiberium-planet by using their modded renegade software + downloads.

what is tiberium-planet?
click my banner signature.

just felt like telling you people,
this is a big honour to me, because i did a lot my best to put tiberium-planet in the air.

That is funny.

But, it is just a link, nothing more, no scam or harm in it.

+1 Warning

How many members does C&CDen have btw?
