I know this is a wierd question but can someone find me a pic of urban camo like this
http://www.seattlefabrics.com/Urban%20Camo%20in%20Double%20Circular%20Knit.jpg
but the pic has to be atleast 256x256 or higher but heres the thing i need the shapes to be small
but the image to be that amount of pixle so if i do somthing with the pic the shapes wont be to big
to fit into something im making...make sence?

thansk but no i tyred that fro a hour or so the problem is i used google and photobucket good
camo BUT! the patterns are to small....like when i tryed to use them for skin files for ren the
patterns looked smlal but when i edited them most shapes took up half of the charecter...
