It would be nice if the forums was upgraded to the new IP forum software.

Would look better, would make the Renegade forums more inviting and give it a fresh look, not something that is from the 80s.

Am sure, the classic skin could be kept for people who wish to use it.

Edit the css.

Although keep the message back-ground black, as people hide text on it.

Well I would agree the forum could use a new skin but what I'm annoyed at(sorry to go off topic) is the backup, time can't you reduce it down to twice a day? Instead of every few hours? If some posts are lost and they are not backed up does it really matter? They can just repost it.
