for some reason when i start the server it has that error with creating the game channel
do i put the serial with -'s? and which login info do they talk about? when i go to westwood.com it
redirects me to the ea site

Read the sticky topic at the top of this forum, it explains all about this. In future read the sticky
topics BEFORE asking questions to see if it's already been answered.

And, as explained in the sticky at the top of this forum, you use the same serial as you did to
install Renegade.
