Well, since Audiosurf is a huge hit, many people have decided to record themselves playing. I decided to join them a while ago and have a few videos.

Moskau - Dschingis Kahn

Hell March - Frank Klepacki

Destroy - Frank Klepacki

I still believe in your eyes - Gigi D'agostino

I'm Furry - Kwooky Womble

I'm Furry v2.0 - Kwooky Womble

Post yours!

Hmm, I didn't think of recording myself playing. I'd have thought most peoples' looked the same.

Nice videos though. Would've looked nice on Stage6.

I might do Mr Moon - Jamiroquai, the bass on that song would give awesome results on Audiosurf.

People who get bored of it obviously don't have enough good music for it. Every time I play a new track it's a new experience.
