That was worse than the actual ending.

I liked it better than the original, but I guess Will Smith wasn't up for a sequel. Although it still bothers me how they drive out of the city in the end when the army had already blown up all the bridges.

Toggle SpoilerNow, this is a story all about how  
My life got flipped-turned upside down  
And I liked to take a minute  
Just sit right there  
I'll tell you how I became the prince of a town called Bel Air

In west Philadelphia born and raised  
On the playground was where I spent most of my days  
Chillin' out maxin' relaxin' all cool  
And all shootin some b-ball outside of the school  
When a couple of guys  
Who were up to no good  
Startin making trouble in my neighborhood  
I got in one little fight and my mom got scared  
She said 'You're movin' with your auntie and uncle in Bel Air'

I begged and pleaded with her day after day  
But she packed my suite case and send me on my way

She gave me a kiss and then she gave me my ticket.  
I put my walkman on and said, 'I might as well kick it'.

First class, yo this is bad  
Drinking orange juice out of a champagne glass.  
Is this what the people of Bel-Air Living like?  
Hmmmmm this might be alright.

But wait I hear there're prissy, wine all that  
Is Bel-Air the type of place they send this cool cat?  
I don't think sow  
I'll see when I get there  
I hope they're prepared for the prince of Bel-Air

Well, the plane landed and when I came out  
There was a dude who looked like a cop standing there with my name out  
I ain't trying to get arrested  
I just got here  
I sprang with the quickness like lightening, disappeared

I whistled for a cab and when it came near  
The license plate said fresh and it had dice in the mirror  
If anything I can say this cab is rare  
But I thought 'Now forget it' - 'Yo homes to Bel Air'

I pulled up to the house about 7 or 8  
And I yelled to the cabbie 'Yo homes smell ya later'  
I looked at my kingdom  
I was finally there  
To sit on my throne as the Prince of Bel Air

They blew them all up except for one, which they had blocked with barriers and stuff, which you see them drive around

Not a bad ending I guess.

I prefer the original. This one was a little too corny and obviously just a feel good ending.
