Yeah. The C&C series, on top of being one of the first RTS's (And probably the most awesome), also has had alot of GREAT music, thanks to Frank Klepacki.

So I ask you, what's some of your favorite tracks to listen to? If not just because it's awesome, then because it's awesome to listen to while annihilating a GDI/Nod/Allied/Soviet/Yuri base.

I'd have to go with "Prepare for Battle" from TD, or maybe TS's Pharotek. Both of them were just plain awesome tracks.

the Harkonnen music from Emperor: Battle for Dune was probably the best RTS music I can think of. I don't think Frank Klepacki wrote it though.

Command & Conquer 2 Red Alert

I love all of them, they are FUCKING AWESOME! Except of "Bog" i

hate it. Frank never made better Tracks as in C&C 2 Red Alert.

Im still playing C&C 2 Red Alert and the most fun give

the Tracks! Because they remind me to old times i started to play

C&C 2 Red Alert. I cant get enough of them, and the Game still the

Best C&C Game ever. I wish Frank Klepacki makes again Music like

in C&C 2 Red Alert... NO GAME HAS BETTER SOUNDTRACKS AS C&C 2 RA!

I like some.

Recently, i like this number, its from Command & Conquer 3

3 Tiberium Wars - Witness to a Catastrophe.mp3

Aka 'Witness to a Catastrophe' from C&C3 Tiberium wars.

Also, the classic one from tiberium dawn or just 'Command & Conquer'

Command & Conquer - 01 - Act on Instinct.mp3

AKA 'Act on Instinct' from Command & Conquer (Tiberium Dawn)

And all the TS tracks. When i listen to them nowadays, i get the feeling while i was still 9 years old (yes, i bought it on release date, and yes i played it while i was 9 years old) and i was so addicted to it

And Spooky, the music from 'Battle for Dune' was written by Frank Klepacki and David Arkenstone:

- 01 The War Begins 4:38 Atreides Frank Klepacki
- 02 The Machine 4:50 Harkonnen David Arkenstone
- 03 Not an Option 3:52 Ordos Jarrid Mendelson
- 04 Unstoppable 5:50 Harkonnen David Arkenstone
- 05 Ride the Worm 5:35 Atreides Frank Klepacki
- 06 Sabotage 4:19 Ordos Jarrid Mendelson
- 07 Harkonnen Force 5:29 Harkonnen David Arkenstone
- 08 Assembling the Troops 7:42 Atreides Frank Klepacki
- 09 Ghola 3:48 Ordos Jarrid Mendelson
- 10 Legacy 6:14 Harkonnen David Arkenstone
- 11 The Specimen 5:06 Ordos Jarrid Mendelson
- 12 The Spice Must Flow 4:47 Atreides Frank Klepacki
- 13 Tribute to Evil 6:21 Harkonnen David Arkenstone

David Arkenstone wrote all the Harkonnen soundtracks.

lol this may sound stupid but it's probably the soundtrack that has been played the most, I mean everytime you are not ingame, or in chat you will hear that soundtrack. And therefore when it comes to statistics thats the most played.

I've heard the Renegade mission 2 music used as background during a traffic report on a radio station in north Georgia (96.1 fm).

I like a lot of the Renegade music, as well as Emperor. But my all time favorite cnc track is probably Act on Instinct.

...or if you, like me, are one of those geeks that will listen to the soundtrack in the car or elsewhere. Then again, if that's the case then you probably went and extracted the files from the original CD yourself...

[View Forum Message](#) <> [Reply to Message](#)

Hell March 1/2/3
- I like 2 best though

I also like Stomp, both Renegade's (Frank Klepacki's?) version && Ren-X's version.
