We're assuming there are a significant number of enemies in the tunnels here, in which case your teammates who are wise enough to get tanks will probably have very little trouble steamrolling the enemy anyway, so your team is fine whether you're getting lots of kills or not.

Sorry, but the funniest thing about you is how far you've deluded yourself about your understanding of this game.

Lol. I might give them the idea to do something intelligent? If they're that retarded that they need to be in the base to make up their mind about something that simple- they're just going to keep coming back anyway. This is what we called "The dumb fuck factor", it is the factor which represents the average IQ of Renegade players, which is coincidentally- low. Therefore, 90% of the population will be inclined to do retarded shit such as- storm the tunnels with a Nod Rocket Soldier. You must always take the DFF into account when making such a mentally deformed post as yours.

For the ones that actually DO something intelligent, such as attack an MRL with a havoc from the waterfall to keep them from bombarding your WF, its best to rid the tunnels of those kind of threats. Okay. You could all just get tanks right? If you get tanks, you'll have to use them out in the field to protect the MRL's. This means you won't have any in the base. This means they can just Nuke you. This means you'll lose. But wait! This is what we have infantry for, right? To kill other infantry and carry out special ops! Yeah! Oh wait- I forgot, we can't do that....Spony had the idea to make us all get tanks, because obviously infantry is just far inferior.

You are a fucking tool, get off of these forums right now before you make yourself seem like even more of a dumb ass.

Yeah. I am. Because honestly, I've probably played longer, and from the little example of Sniper's skill on his rant of Jalil, he completely sucks at this game, then wants to give me a lesson on it. I'm perfectly happy to 1 v. 1 anytime, anywhere, and completely rape them.

Someone needs to tell them that shitty comeback, leaky evidence for claims, and absolutely dumb-fuckery isn't the best way to make people think you're 1337.

I hate clans. I HATE THEM. They're retarded. However, I was part of 3 in my noobdom, which I am not proud of.....HR (I was HRMonkey), BBF ([BBF]Monkey), and one that I owned for awhile, MAD ([MAD]Monkey).

Howdy Sadukar. How's life treting you?  
And Btw-

I added troop to msn as soon as I posted this.  
Seen him come online once. Then go offline again.

Maybe he didnt see this topic, Maybe he did.

I'll give him a few more days.

Until then, I consider this a no-dodge. Simply because theres no evidence he seen the topic.

Started: 2:54 AM.
