well

do u kno what renegade players like, especially boys, when the C:\Program Files\RenegadePublicTools\ gets deleted, when we install renegade , that folder is being created every week and we have to delete it and delete it , it is group about a gb every day and it gets on out nerveous, if u delete that folder for him today, he will like u more than he likes u right now , but u should kno that u should do it every week .

good luck, i do want to see how much he will like u after u delete that folder (sorry for runon sentances lol)

There should be a "what the fuck" rating on this foru-...

shit wrong forum.

my post still applies to this thread though.

This made me laugh out loud for real.

Also, am still trying to work out on how Level Editer, Getting deleted, Re-installed has to do with females.
