Ok so I was watching The Leet World the other day (its a Web-Show, pretty funny) And I was wondering, "How cool would it be if some Renegade Fans could make something like this?"

So as you can tell, I wanna know, if anyone would like to maybe give this a try?

Troopr02 is the laughing stock of this community.

See here for more information

Spoony will probably be able to confirm that he also dodged about 1045 1 vs 1's.

a machinima is a movie (or episode) completely filmed in a video game, why it's called machinima is beyond me.

It was done before. I didn't find it all that entertaining, save for some of 'The Bar' jokes with Gizbotvas. I don't think it had enough North Americans.

It's a combination of the words "machine" and "cinema".
